Performance Certificate

To whom so ever it may concern

This is to certify that M/s **SHRIPAT TECH-INNOVATION CORPORATION, Mumbai** has designed, developed, manufactured and supplied Customized Solution **TUSKER Terminals for Distribution Transformers which are having Low Contact Resistances, more O&M Friendly and Long term reliable.**

STIC has supplied such connectors for 25-100KVA, 200-400KVA and 500-750KVA rating transformers and performing satisfactorily since last six (06) months.

It has solved our issues with old Connectors as follows,

- Overheating of electrical terminals (High Contact Resistances)
- Heat Losses at connectors (T&D Losses)
- Retrofit on existing equipments (O&M Issues)
